

Foresters Years 5 and 6 – Belonging, Conflict and Hope (WW2 focus) Term 1		
Core Subjects	Personal Development	Foundation subjects Year 5 and 6
English	Value: Friendship	History and Geography
<p>This term, we will be exploring two core texts: The diary of Anne Frank and Goodnight Mr Tom by Michelle Magorian.</p> <p>Through exploring Anne Frank's diary, we will learn about who Anne Frank was, why she was significant and why her diary was kept. We will be innovating diary entries and comparing her work to other young individuals who have kept war diaries.</p> <p>We will read 'Goodnight Mr Tom' towards the end of the term and will work on our setting and character description. We will look closely at the relationship between Willie and his mother before doing some of our own creative writing linked to the story.</p>	Spiritual	<p>History:</p> <p>This term, children will learn about crime in Britain during the 1940s, the cruel conditions of concentration camps as well as how Britain responded during the war.</p> <p>Geography:</p> <p>We will looking at the countries involved in WW2 and comparing these countries to our home nation.</p>
	Values	Art and Design Technology
<p>Maths</p> <p>Year 5:</p> <p>Number and place value</p> <p>Decimals</p> <p>Geometry: Properties of shapes.</p> <p>Year 6:</p> <p>Number and place value</p> <p>Decimals</p> <p>Multiplication and division.</p>	<p>Through the value of friendship, we will explore how to make someone feel appreciated and welcomed and what a good friend looks and feels like. We will explore embarrassment and what to do when there are disagreements or barriers within friendships.</p>	<p>Art: · Children will explore some of the famous world leaders during WW2 and will create sketches and portraits of these individuals.</p> <p>DT: After research and discussion, pupils will design a space buggy. We will also look into the designer of the ISS.</p>
		Music and Physical Education
<p>Science</p> <p>This term, pupils will be learning about Earth and space.</p> <p>They will be: explaining why the Sun, Earth and Moon are spherical; describing the movement of the Earth and other planets relative to the sun in the solar system; describing the movement of the Moon relative to Earth; use the idea of the Earth's rotation to explain day and night and the apparent movement of the sun across the sky. We will also look at the impact of significant people such as Dorothy Vaughan, Katherine Johnson, Mary Jackson, Margaret Hamilton and Valentina Tereshkova.</p>	<p>RE</p> <p>Pupils will be exploring the importance of commitment to Muslims. The Five Pillars of Islam will enable pupils to reflect upon the messages of commitment and what commitment means to them.</p>	<p>Music: The pupils will be learning to sing and play instruments to the song 'Happy' By Pharrell Williams.</p> <p>Physical Education: Our PE skill this term is 'Social Skills'. Our PE days will be on Tuesdays, with swimming, and Fridays with Mrs Newbery.</p>
		Computing and French
		<p>Computing: Online safety – using technology safely, respectfully and responsibly. Understand computer networks including the internet; how they can provide multiple services, such as the world wide web; and the opportunities they offer for communication and collaboration.</p>
		<p>French: In French, we will be learning how to use useful phrases in order to get to know one another, along with the present and future tense.</p>
