

Summer Term Power Project: Victorians

This term, Potters will be finding out what life was like in Victorian times. We will explore when the Victorian period was, what schools and homes were like and how Victorians lived. During the topic we will have a Victorian day at school where we will dress as Victorians and experience the lessons pupils would have had. **This will be on Thursday 26th June.**

What were Victorian schools like?

Can you find out:

- A lesson that took place each day?
- What was P.E. called?
- How many children were there in one class?
- What happened to children if they were naughty?

How did the Victorians get around?

Can you find out:

- How did Victorians travel to the seaside?
- What is the name of the bicycle in this picture?
- When was the first journey on the London Underground?

Who was the Queen?

Can you find out?

- What was the name of the Queen in this picture?
- Who was she married to?
- How many children did she have?
- What kind of clothes did she wear? Why?

<http://www.primaryhomeworkhelp.co.uk/victorians>

Feel free to add drawings and any other information. I would like the children to write down what they have found out, this will be great practise for them!

Potters Victorian Day

On Wednesday 4th June

This will be an exciting addition to our topic on Victorians and will bring learning to life for the children. Children will come to school in Victorian dress and the school day (and the classroom!) will be going back in time. We will experience aspects of a typical day at school, have a go at some Victorian style lessons and enjoy games that Victorian children played.

Victorian children would come to school each day with a penny to be paid for that day's teaching. Please ensure your child brings a penny on the day, you'll get it back! Here are some ideas for costumes on the day. If you need further ideas or assistance please ask.
