

Crockerton Church of England Primary School Weekly News

This term our Values focus on British Values <https://crockerton.wilts.sch.uk/>

This week's attendance: Potters: 99% Thatchers: 97% Weavers: 97% Foresters: 99%
So lovely to see everyone back in school after the Easter Break – if fit and well, please ensure your child is in school.

The Summer term – the children have come back to school enthused with their new topics - Potters have started learning about Castles; Thatchers have started learning about Water, Weavers have already learned so much about the Romans and Foresters about the Ancient Greeks! We certainly do have a great curriculum!
Remember the class pages have more information about your child's learning.

Volunteering on Sunday 17th May to improve and tidy the school grounds. It would be great to have a couple more helpers who could give up 2 hours or so. Please do let me know if you are able to help. It is mainly weeding, hedge cutting, sweeping and a bit of fence/gutter repair and window cleaning!

Thank you for returning the Microsoft Form for medical and dietary, sent out at the start of the week. I will be sending home paper copies if appropriate to those children who need further information shared to support them with their medical condition.

Well done to Jemima, Ioan and George who have achieved distinction in their step 1 or step 2 Acoustic Guitar exam. Well done all, we are all very proud of you.

Orla, Harry, Lottie (and Lily) had a meeting this week with other children in the Children's Compass Council and Green Team. We were inspired by Jen Gale from Let's Go Zero who led the meeting, appropriately timed during Earth Day. All the children, in the 6 Compass Schools, are attempting to reduce the amount of paper that that we use in schools – this will impact teachers, parents and children and we are hoping to show how much paper can be saved, as well as cutting down costs for each of our schools. Watch this space as they start putting some of their ideas in to action.

The School Website is all up to date with dates for the Summer Term as well as holiday dates and TD days for next academic year! Please try to stick with the holidays when booking yours.
Thank you to Nic Yalland, for preparing a Word document for you all to have the key dates. The production is not yet confirmed but will be as soon as possible.

Well done to a team of rugby players from Y5/6 who took part in a tournament, alongside 10 other schools, at Warminster Rugby Club. It was a beautiful evening, with over 100 children playing with spirit, joy and determination.

During the Spring Term, we had so many children taking part in sporting events. Nearly 30 children played in at least 1 of the 3 rugby tournaments; others played badminton or Dodgeball; or indo-boarding/archery!
This term, there will be opportunities for Tri-Golf, cricket, swimming and Thatchers class will be Dancing at the fantastic Forum in Bath!

With our lovely school grounds set in the forest, there is a high chance that **TICKS** may find the children. As we head in to the Summer Term, please do check your child's body for the tiny creatures. If we notice a tick on your child, we will contact you so that you can seek medical advice about removing it. Staff will not remove ticks, but may cover it with a plaster whilst they wait to be collected.

Be joyful. Grow to maturity. Encourage each other. Live in peace and harmony.
2 Corinthians 13:11
