We are always working with our neighbours who own land around the school, including the neighbours who own our field. We have been asked, for safety reasons, that this track from the gate on Parsons Hill (The forest road leading to Longleat/Centre parks) is not used by parents, walking or by car. This land/track is not ours and is private property. This includes Sports Day, Colour Runs and any Fete that may be organised in the future. We have agreed that a couple of cars belonging to those organising the Colour Run are able to get access, so that setting up and heavy goods can be emptied. But this has already been agreed with the Friends Committee and Governors. **To ensure we continue to be able to rent our field, I really need everyone to respect this decision. Access to the field can only be via the school's front entrance.**

Information has gone out for **The Big Sing** at Minster Church Fete on Saturday – the songs are sounding great so when 5 other school join it to, the audience at the Fete will be on for a treat! Thank you all for taking up this opportunity.

This week, our youngest children have been to the **farm** and taking part in the **West Wilts Dance Festival**. The goats were a firm favourite at the farm. The Dance Festival is an event that takes place over 3 nights and it is just wonderful to see such young children on a stage in Bath! They were outstanding and I know Miss Sides was very proud of how they performed on the night and behaved during the very long day! On Tuesday, it was lovely to see Foresters children try to recreate their 'The Flood' performance from 4 years ago – using the Story of Noah and the Ark!
