Thank you to all staff, parents, children and Governors who were involved in our SIAMS last week. It was a very long day with lots of conversations about our school and children. We should have the report back near the end of next week, or at the start of Term 6 and as soon as we do, I will share with you all.

Year 6 took their SATS this week and were absolutely brilliant – as was their breakfast menu cooked by Mrs Aylesbury. Thank you Mrs A, it certainly keeps the nerves at bay! One child is still to do Maths so we are restricting any SATS talk amongst the children and staff! Well done Year 6 – just writing and science to go as teacher assessments.

Sports Day is this afternoon –PLEASE PARK RESPECTFULLY - see Dojo posts this morning

We are very sad to say that Mrs Newbery will be leaving us in June. She has worked at school for almost 10 years as a TA, MDSA, wrap around care leader and PE teacher – she is a great friend to us all and she is leaving a big hole. We wish her all the very best as she heads back into hospitality! Good luck Mrs Newbery.

Good luck to our Team of Quadkids – these children were selected for their long distance running, howler throwing, sprinting and long jump – it is a very tough competition and held at Bath University. KS2 Girls football also have a tournament at Wylde next week. Next term we have cricket and swimming gala for KS2! Always busy!

We had a visitor from the **Trowbridge Islamic Trust** to talk to the children in Foresters and Thatchers about why a Mosque is important to Muslims. She was hugely impressed with the children's respect and interest demonstrated yesterday and wanted us to pass on her thanks to parents for allowing the children to attend her presentation. We look forward to having her back in school again soon.

As a staff, we have discussed our **Bronze, Silver, Gold awards** which are often given out for children going above and beyond... there are 30 stamps for each level so as you can imagine, it can be quite a challenge to get to the end.

We have therefore decided to relaunch these Badges, slightly differently. I will hopefully share this with you all at the start of Term 6.

**Keeping children safe:** As mentioned on Dojo this week, I was concerned by the chaos on Wednesday morning at Stop and Drop – this is primarily caused by getting out of cars and arriving too early in the morning. Thank you for keeping this area as a stop and drop, where cars can pull up safely and get away quickly without too much delay nor concerned about children on the road. Please ensure Stop and Drop is safe to continue.

**TD days** for next academic year are on the website. Please remember to keep holidays to school holiday times. I will not authorise holidays during term time. [A useful document](#)

Ioan and Teddy were keen to have a **House Rugby tournament** – this has been great fun although has not just been a Thursday and Friday lunch time club as initially planned – however, so many KS2 children have taken part and really been up for a bit of lunchtime rugby. I noticed children taking the lead amongst the houses, warming their teams up and organising tactics – as well as the teams having to sort out substitutions during the game in the fairest of ways. But most of all, as ever with Crockerton children enjoyment, encouragement and team-work – whatever the result! Results of the competition will be made at Sports Day...
