

<p>Explore the world:</p> <p>Find India and the United Kingdom on a world map and draw a route from one to the other. Then find some facts about each: capital cities, oceans on the coast line and highest mountains.</p> <p>Draw a map of India and add some landmarks.</p> <p>Create a fact file of the countries of the UK. You could create a leaflet, including pictures of their flags, capital cities and the national symbol... and much more!</p>	<p>Thatchers' Power Project Summer Term India</p> <p>Power Projects are an important way of extending and embedding pupils' learning and vocabulary. They also prepare children for future homework expectations. The pupils will share their learning on our 'school museum day' on <u>Thursday 26th June 2025</u></p> <p>No more than three pieces of work are expected.</p> <p>If you have any thoughts or questions, please pop in and see us or email: Miss Sides sides@crockerton.wilts.sch.uk</p>	<p>Explore the past:</p> <p>Draw Ghandi and write some facts about him.</p> <p>Learn a game that Victorian children would have played and write instructions for how to play it.</p> <p>Create a poster about Queen Victoria's life.</p>
<p>Be Creative:</p> <p>Create a rangoli pattern from natural materials.</p> <p>Make a diva lamp from clay or play-doh.</p>	<p>Values British Values and Trust:</p> <p>Create a poster for the British values: tolerance, freedom of liberty, democracy and rule of law.</p> <p>Pupils to create a poster of trusted adults, including adjectives to describe people they trust.</p>	<p>STEM challenges:</p> <p>Do some exercises and draw an image of your body before and after, labelling the changes.</p> <p>Create a game for the times table that the children are working on through their times tables passport. Year 1s could create a game for pairs of numbers that make 10.</p> <p>Research and cook a traditional Indian dish. Take a photo of it.</p>
