**Share the Miracle** Thank you for all the eggs that have been so kindly donated. We had a selection for our villagers who attended the planning meeting. Earlier today, I delivered around 30 eggs to both The Learning Meadow and Longbridge Deverill Care Home, to give a bit of Easter Joy. It is a super act of Kindness from our local schools, and we are very proud to have been involved in this project. Well done everyone. Look out in the Journal to see a collaborated write up – it will be over the next couple of weeks when all schools have Shared the Miracle.

Thank you to all parents who joined many villagers so that I could share the new plans for the **KS2 building**, last night. After Easter I will put up plans around the school so that you can all see. Planning is now on the Wiltshire Planning website so please do look there too. If you have any ideas for extra fundraising, please do share – we will probably sponsor a brick and have a display for this but other ideas are very welcome – parking spaces, spaces for KS2 children to use whilst without classrooms etc etc

Thank you for supporting **Comic Relief** last week – we sent over £120 to Comic Relief.

It is great to see many parents signing up to **parents' evening** – it is expected that everyone books to make an appointment to share their child/children's learning. Please note there is no YOGA in school next Tuesday, as the classroom is being used for these meetings.

This week the sporting events have continued... **rugby** for 20 children and **badminton** for another 10! Please see dojo for pictures. The rugby was a super evening, entering not only a Y5/6 team but also a Y3/4 team – some who volunteered having never played a rugby match! Both teams did brilliantly with the Y5/6 being beaten by just 1 team. Well done to Jacob, Alfie, Oliver, Harry, Harrison, Alys, Olivia, Hermione, Clara, George, Felix, Henry, Henry, Ioan, Teddy, Orla, Wilf, Isabella and Annabel who represented the school brilliantly. Badminton players took part in an event to introduce them to Badminton. It was a well organised event with Kingdown badminton players leading work-stations. Thank you to Mrs A for supporting the children, Harrison, Logan, Jake, Thomas, Sam, (stepping in last minute to cover illness) Harry, Hermione, Matilda, Olivia and Millie. Again, brilliant to see children trying something new!

Thatchers class went out in the local surroundings to imbed their **geography skills** taught this term. Crockerton is the perfect rural setting so that the physical and human features seen on their local study could be compared to that of the urban setting, London that they have been studying this term. Thank you to Miss Sides for organising and to the helpers who made it possible to get out!

**Race Night Friday 22<sup>nd</sup> March 2024** Have fun all at the Race Night. I will see you there!

It's a busy week ahead! **Finishing 1 hour early on THURSDAY 28<sup>th</sup> March.**

We have parents Evening on Tuesday and Wednesday; Spirituality Day on Wednesday, starting with Church, followed by a walk and then afternoon activities, we then have our Bunny Drive – thank you to the 'Friends' who once again have bought some eggs and prizes for the children.

Please do **read with your child every night**. Children in all year groups will hugely benefit from even 15 minutes of additional reading. If the children are fluent readers it opens up all areas of the curriculum, especially as they head to secondary school. Our volunteer readers have noticed that sometimes no reading is heard between their weekly sessions!

Be joyful. Grow to maturity. Encourage each other. Live in peace and harmony.
