- * Use Hama beads or Aqua beads to make a Rangoli pattern

- * Write a poem using each of the letters of India (or something else) to help you. Here is one verse that may inspire you:

C is for Cricket

Cricket is a passion – a game with bat and ball.

Introduced by the British it's embraced by one and all.

Explore the world:

- * Use a map to discover which countries are North, South, East or West of India.

- * Imagine you are flying to India from the UK. Which continents would you fly over? What if you flew East to India, instead of West?

- * Create a poster about the animals that live in the Indian Ocean.

Thatchers' Power Project

Term 6 – India

Power Projects are an important way of extending and embedding pupils' learning.

The work will not be marked, but the pupils will have the opportunity to share and learn from each other on:

Friday 22nd July 2023

If you have any thoughts or questions, please pop in and see us or email:

Scientific and mathematical skills

- * Investigate the microhabitats in your garden and the minibeasts that live in them. Design and make a 'bug hotel'.

- * Use 2D shapes to design a symmetrical Rangoli pattern.

- * Make a naan bread, using this recipe:

School Rules and Values

Be safe: Talk about how to stay safe when walking on pavements – could you teach a younger family member?

Trust:

Talk to an older family member about changes that have happened in their lives and how they felt about it. They might mention things like moving homes, people being born into their families or moving schools. Was it all OK in the end?

Extend your research:

- * Research which foods are popular in India and help to prepare an Indian meal or snack.
- * Design a travel poster or brochure about India.
- * Find out 10 interesting facts about India.
