

## Good Luck England

Please remember to sign up to the **Reading Challenge** this Summer... library membership is free and keeping your child's reading and comprehension skills frequent, is vitally important over the 6 week break. I look forward to seeing everyone's certificate in September.

Weavers went to the **Roman Baths** this week in Bath. This sounded like an amazing trip with some great photos on class dojo. Well done Weavers for doing so well, it was rather busy in the morning, with many people wanting to visit this historic site, but you were all fabulously interested and a credit to the school. Thank you to all the adults who helped on the day and Miss Brown for organising.

Thank you to the teachers who planned, having spent an evening after school last week doing some art CPD, (thank you Mrs Pullinger) an amazing day of peace, reflection and art for our **Spirited Art Day**. The standard of work produced has been quite something, as well as using our local area and school grounds, for sketching. We look forward to sharing the final masterpieces with you all soon.

This week I had a meeting with **Jen Gale from the Let's Go Zero initiative**. This is where Schools will be working together to be Zero Carbon by 2030. We will be looking at an action plan to work on in the years ahead including understanding our solar panels, improving areas within our school grounds for wildlife as well as looking at smart meters, carbon footprint calculator and getting the Green Flag for eco-schools. Lots to think about and if any parents have any expertise or enthusiasm to support the school, please do let me know! I am very excited and 2 of our Green Team met with Jen also, who was very impressed with their enthusiasm and efforts so far in helping look after our planet through litter picking, using water butts and recycling – especially trying to use less waste in our packed lunches.

**Parent Governor vacancy** Remember to speak to Gussie, or myself if you have an interest to become a School Governor. This can be such a rewarding role. Also, vacancies for Foundation Governors – ask around your friends and family.

It was great to have the nurse visit this week to talk to EYFS and KS1 about **oral health**. Brushing teeth is a hugely important twice daily activity, alongside visiting the dentist twice a year. Please do insist that your child is registered at the dentist.

Remember, children **do not need rucksacks** for bookbags and lunchboxes. Just small ones, for swimming kits and on a trip day! Please check lost property and ensure your child has their bookbags and belongings at the end of the day.

**Bump Up Day** was great on Tuesday – children went to their new classes and classrooms (most temporary while we wait for our fabulous new build to be ready – October 13<sup>th</sup>) We welcomed Miss Trim who met her new Weavers class and the Year 6 buddies met their new reception friends also – what great ambassadors they will be! Our Year 6 children also had a great 2 days at Kingdown!

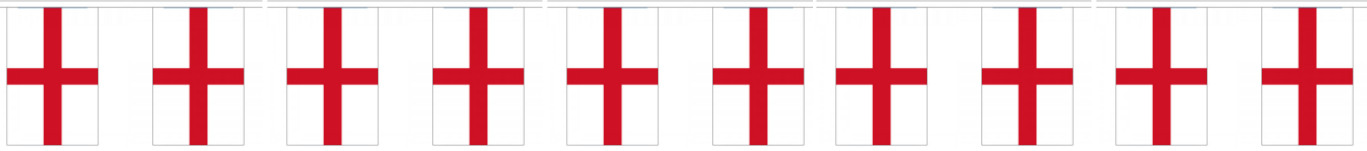

This week, we thank Emily and Olivia who have helped mostly in Potters and Thatchers. They are from Kingdown School and have been doing their week **work experience** with us. We wish them well.

Our Summer Walk, 19<sup>th</sup>, sees us all meet at **Heaven's Gate** between 8.40 and 9am with good shoes or walking boots, water and a packed lunch. We play at Heaven's Gate for about 90 minutes (children can bring a toy to play with but must carry it!) and then we walk to the 'pond' at Shearwater for lunch before returning to school for some quiet time. If Breakfast club is required, please email me with your consent to travel in my car and I will take them to Heaven's Gate. We will need parents to help at Heaven's Gate so please let your class teacher know if you can. Speak to your class teacher, if you need further clarification.

**Crockerton's Got Talent** – children from KS2 can perform in front of the school and a panel of judges. Leavers service – parents of Year 6 can attend the service at 1.15pm- full school uniform for this service but a green t-shirt can be signed during the day.

Ticks – it's that time of year and we have had many ticks on children

On Tuesday 23<sup>rd</sup> July we will finish school at **2.20pm or 2.30pm** (1 hour early) – There will be NO LATE CLUB this day.

### **Head Teacher Certificates: Going Above and Beyond this week!**

**Lottie, Jessica, Molly and Thea** – Well done – you have worked tirelessly to organise your 50p toy sale. You have spoken in Worship, held up banners during playtimes, made posters, donated toys, made gift bags as well as encouraging parents to buy sweet packets. What brilliant examples of going above and beyond to be fabulous, courageous advocates for our school. Thank you.

#### **Spirit of Crockerton in Potters**

**Seb** – You have been outstanding all week and awarded the Spirit of Potters because of your beautiful Spirited Art painting.

#### **Spirit of Crockerton in Thatchers**

**Percy** has been outstanding this week and is the Spirit of Thatchers because he embraced Spirited Art Day with harmonious attitude.

**Cole** has also been outstanding this week and is also the Spirit of Thatchers for having such a great first week.
