This term our Values focus on Trust

This week, Sam took part in his **gymkhana** at Warminster Saddle Club. He managed to come away with 6 rosettes and should be very proud of himself and Billy the horse. The RDA is a great charity and there were many children from many centres who came to Warminster to compete. I was very impressed with how the whole day was organised for so many young people. If you are ever able to donate to this charity, please do!

The **cricket team** competed at the annual Westbury and Warminster Cricket competition at Warminster Cricket Club. 12 schools took part and like the Euros, we had a group stage and then into the knock-outs! So our first game was against Westbury Leigh, who we beat by about 10 runs. Winning our second game convincingly against Avenue School meant that we won our group and headed straight into the quarter finals. With some of our best cricket being played especially whilst fielding and bowling, we again won our game and headed to the semi-finals. This time we faced Sambourne A. Sadly, this is where our winning streak ended and despite some great fielding and bowling, we did not quite achieve enough runs losing by a marginal 6 runs. Sambourne went on to beat Wylde Valley convincingly in the final which proved that we had really put out a strong team and they must be extremely proud – however disappointed on the day! I will remember some amazing catches, overarm bowling by everyone and Jacob and his many 6s. Do take a look on Class dojo to see some photos.

End of Term **Singing Production**: A slight change to this event. We are now doing our end of term production – Night at the Musicals – at school and not at Horningsham Village Hall.

Well done Bear and Gabriel for the fantastic posters that have gone up around school – they look great! Here is hoping for an improvement in the weather, once again!

17<sup>th</sup> July 2024 – 6.30pm on the playground, at Crockerton School

Compass School **RURAL SPORTS** (28<sup>th</sup> June) – sadly this event has been **cancelled**. When the head teachers met this week, we decided that the cost of transport is too great to do this event every year. We will discuss the future of this event to see if a cheaper way of doing can be achieved.

**POWER PROJECTS** are all on the class pages of the website. We will be repeating our fabulous School Museum Day on 3<sup>rd</sup> July.

KS2 children will be singing in the town park on **Saturday 15<sup>th</sup> June at 2.30pm** with 3 of our Compass Schools at the **Sing in the Park**. **Those singing should meet** with Mrs Woodley at 2.15pm.

Welcome Cairo and his Mum who is starting in Year 4 next week. This week, we also welcomed our new reception families to school, with their first parent meeting. We were oversubscribed this year and have 16 children starting in Potters.

All our Year 6 children are transferring to Kingdown this year. Over the next few weeks, we have dates for their transition days at Kingdown, visits for our new reception and our Bump Up morning for everyone else.

**Saturday 22<sup>nd</sup> June** is Crockerton Village Street Party and we have been invited to do a stall and share our planning to raise some more funds for School. This will launch our 'Buy Some Cladding' appeal to raise more money for the new build!

**LOST PROPERTY** – there is a **huge** amount of **lost property**. This is all unnamed. I will continue to put it out but please check through before putting out for pre-loved sale. Weavers class have an outdoor cloakroom during the building work – please do ensure that all their belongings go home every night. There seems an increasing number of hoodies, caps, coats being left around school!

Please check the calendar on the website **as new dates** are added. We have also highlighted TD days for next year as well as term dates and any events, already booked for the children.

Thank you to all those who signed up for the **'Managing Your Child's Emotions'** Workshop at Sutton Veny this morning. I hope it is really useful.

It's a busy day in school today and hopefully by next week, I will be able to update you all with some staff changes, and classroom organisation.

Be joyful. Grow to maturity. Encourage each other. Live in peace and harmony.

## Head Teacher Certificates: Going Above and Beyond this week!

**George M** – George was mentioned by 2 members of staff for going out of his way to include a child, who will start next week, both in and out of the Year 4 classroom. George invited him to play, showed him around and ensured he had someone to talk to at lunch. What an amazing role model to us all!
