The Governing Body has had some changes recently. A huge thank you to James Newbery who has been a Parent Governor for 6 years and worked tirelessly supporting and challenging the school over these years. We welcome Tony South, Hermione and Bear's dad as our new Parents Governor. We still have 2 Foundation Governor vacancies, please speak to myself or Gussie for more information.

We have our new **school website** up and running, make sure you check out the class pages. Staff will be trained to update their pages, so please do use it to check what's happening.

We also now have a **Facebook page** to share the wonderful learning, activities and events that we do at Crockerton School. Emails should remain the best way to contact class teachers, Mrs Bawden or myself.

Term 5 is always notoriously busy, and this year has been no exception. Well done to all the children who have continued to persevere with their learning, practise their passports, read regularly and complete their power projects. All these are so important to help children meet their end of year targets. Thank you to parents for your continued support for this. KS1 and KS2 SATs are complete. Year 6 still have some writing moderation to secure. After half term Year 1, and some Year 2 will have their phonics screening; Year 4 will have their multiplication test.

A huge thank you also to my staff who, as ever, give 100% to the children and the school. This week alone, staff have had additional SEN meetings, a host of meetings with many parents, supporting children at sporting events, making pizzas, supervising medicines, running after-school clubs, subject leader courses, watering plants as well as welcoming our new families for September; on top of the daily planning, preparation and assessment. Please rest up so that you are all refreshed and ready for term 6 AND HOPEFULLY BUG FREE!

Thank you also to Gussie, Phil (and Felix) who made a start on hedge trimming last weekend! Much appreciated.

On the 4th July, children will go to their new classes for our **Bump Up day**...

Potters will have an equal mix of Year 1 and 2 with Mrs Woodley; Thatchers will be taught predominantly by Miss Sides, (I will also be teaching for 1 day a week); Weavers will be taught by Miss Brown and Mrs Rayner and Miss Hedley remains in Foresters class. Our fantastic, experienced TAs all remain. Can I please stress that if you have any concerns or worries about anything to do with your child or school in general, speak to your child's class teacher or catch me in the morning or afterschool.

Felting Workshops – Bessie has been back this week to start the classes' masterpieces based on Shearwater Lake – each class will represent the picture in the 4 different seasons.

Have a wonderful Half Term – those who have been poorly, I wish you all a speedy return to full fitness!
