Introduction

This Attendance Policy is based In February 2024 the DfE published new guidance “Working Together to Improve School attendance: Guidance for maintained schools, academies, independent schools and local authorities”. The guidance is statutory and effective from 19 August 2024.

The guidance is clear that improving attendance is everybody’s business. It provides a framework that local authorities, schools, governing bodies and trusts must have regard to in order to support and maintain high levels of school attendance.

“Recognise that absence is a symptom and that improving pupil’s attendance is part of improving the pupil’s overall welfare.” Working Together to Improve School Attendance, DfE February 2024

SECTION 1 Rationale of the Attendance Policy

At Crockerton School, we understand that regular school attendance is the key to enabling children and young people to maximise the educational opportunities available to them and become emotionally resilient, confident adults who are able to realise their full potential and make a positive contribution to their community. School is the foundation for preparing children and young people for life as adults.

We are committed to providing an education of the highest quality for all our pupils/students and endeavour to provide an environment where all pupils feel valued, respected and welcome.

For our children to gain the greatest benefit from their education it is vital that they attend school regularly and punctually. Parents and the school community share the responsibility for supporting and promoting excellent school attendance and punctuality for all.

This policy represents our commitment to support pupils to achieve 100% attendance. It sets out the principles, procedures and practice the school will undertake. Strategies to improve attendance and rewards and benefits of good attendance. The sanctions and possible legal consequences of poor attendance and punctuality are also detailed. This policy will be reviewed, amended as necessary and published every 2 years, in accordance with current legislation and guidance.

SECTION 2 Aims and Expectations

We believe that the foundation for good attendance is based on a strong partnership between school, parents and the child. This includes clear communication with parents and pupils regarding our expectations of what is required to secure excellent attendance for pupils at our school.

At Crockerton School we will:

- Provide regular information about attendance through regular communications through newsletters/website
- Include attendance information in reports about your child’s performance in school and how any absence may be affecting their attainment
- Reward good attendance by sharing Attendance Ted certificates for classes with attendance of 95% or better
- Work with you and your child to achieve maximum attendance

At Crockerton School we expect:

- Pupils to arrive at school every day on time, ready to learn
- Parents to work with the school to ensure that their child attends regularly
- Parents to know the national guidelines for attendance, including about holidays during term time

SECTION 3 Attendance: The Legal Framework – roles and responsibilities

The law says that ensuring a child receives education is a parent/carer's legal responsibility (Section 444 of the 1996 Education Act). For most parents this means registering their child at a school. Permitting absence from school that is not authorised by the school creates an offence in law and parents/carers who do not secure their child's regular attendance at school may be referred to the Wiltshire Education Welfare Service for a formal legal intervention.

To avoid this happening we will work with parents and carers to address irregular or poor attendance to ensure full-time attendance.

Authorised absences are those that have been agreed by the head teacher.

Unauthorised absences are those where no valid reason has been provided for absence or those absences which the head teacher has not agreed.

SECTION 4 Partnership Working – roles and responsibilities

Do you know these facts about absence and attendance?

95% equates to half a day off every two weeks in a school year

90% equates to a day off every two weeks in a school year

85% equates to one and a half days off every two weeks in a school year

80% equates to one whole day off every week in a school year

Research suggests that a pupil who misses 17 days of school a year will drop 1 GCSE grade in attainment. (DfE)

A secondary age pupil whose attendance is 80% will have missed ONE WHOLE YEAR of education by the time they leave school

“Better attendance at school by pupils improves their educational achievements and, in turn, their lives and prospects. Even a small reduction in absence would result in many pupils receiving greater benefit from their education.” The National Audit Office.

At Crockerton School attendance is the business of everyone in our school community.

The governors and all staff are committed to supporting all pupils to achieve excellent attendance and regularly review school procedures and strategies to support this.

We expect that parents and carers will work with us if school absence becomes a concern. Parents and carers can help to promote positive attendance by:

- Ensuring children arrive at school on time, before registers close, appropriately dressed and in a 'condition to learn' (ie not too tired or too hungry) and with the right equipment for the day
- Working in partnership with us to help their child(ren) gain an appreciation of the importance of attending school regularly
- Working in partnership with us to take an active interest in their child's education
- Working in partnership with us and other agencies (as appropriate) to resolve problems relating to non-attendance or which may have a negative impact on their child's attendance

SECTION 5 Procedures for attendance/absence

Our school attendance target is: 97%.

This means that we are expecting each pupil to have 97% attendance, or better. Pupils who miss more than 5 days of school in a school year will contribute to the school not achieving the attendance target set by the governing board

Legally the school register must be taken twice a day.

At Crockerton School the register is taken at 9am (morning registration time) and once during the afternoon session at 1.05pm. The registers will remain open for 15 minutes. Pupils arriving before registers close will be marked as late (L). Pupils arriving after the registers have closed will be coded U (Late after registers close) which counts as an unauthorised absence for the whole session.

Absence is recorded as unauthorised until a satisfactory reason is provided. If the reason given is not satisfactory and/or evidence of the reason cannot be provided, the absence will be coded as unauthorised. Ongoing and repeated lateness after the close of registration is considered as unauthorised absence and may be taken into account if any legal action is taken.

We will contact parents to address and improve attendance where:

A pupil's attendance falls below 95%,

A pupil has more than 3 weeks where they haven't achieved full attendance in a term (In Wiltshire there are 6 terms in an academic year)

A pupil has more than 5 recorded lates in a term

A pupil has a regular pattern of absence

Parents are asked to:

Notify the school when their child is unable to attend, with a reason, on the first and subsequent days of absence. Parents should make contact with school before the start of the school day. Please phone the office on 01985 212168.

Keep the school informed, in cases of ongoing absence. A note from a pupil's home does not mean an absence becomes authorised. The decision whether or not to authorise an absence will always remain with the school.

Arrange medical or dental appointments outside of school hours unless there is urgent need for an appointment.

Tell the school if their child is going to be late, the reason why and expected time of arrival.

Only request leave of absence if it is for an exceptional circumstance.

The process for requesting leave of absence is explained further in this policy.

Examples of types of absence that are not considered reasonable and which will not be authorised under any circumstances are:

Birthdays, staying at home because other members in the family are unwell, day trips and holidays in term time, arriving at school too late to get a present mark (After the close of registration), truancy, death of a pet and being tired.

We will contact the parent/carer if a child is absent and the parent/carer has not advised that the child will not be in school. Parents can expect contact on every occasion of an un-notified absence. We will initially phone parents within 30 minutes of registers closing. If we cannot speak directly with parents/carers then we will make contact with nominated emergency contacts to establish the reason for absence; this is in line with school safeguarding procedures.

If after 3 days of absence, your child has not been seen and no contact has been made with the school, a home visit will be made by school staff, to ascertain the safety and well-being of your child and establish the reason for absence from school.

After 10 days of unexplained absence and no contact with the school, we are obliged to notify the local authority. The local authority will follow their procedures for Children Missing from Education (CME) and parents may expect contact and visits from an Education Welfare Officer to ascertain the well-being and safety of your child.

Collecting your child from school

We ask that all parents/carers ensure that they are able to collect their children from school on time. School finishes at 3.20/30pm

If parents are unable to collect their child as usual then they will need to communicate the alternative arrangements they have made with the school.

We will not release children in these circumstances to anyone who we have not been advised of.

If children remain uncollected from school the protocol is that the school should:

- contact parents or carers
- call emergency contacts if parents and carers cannot be reached so an authorised adult can come and collect the child
- keep records of late collections.

Monitoring attendance

Weekly monitoring of the registers will be made by the Senior Attendance Champion to analyse overall absence for each pupil and identify pupils with low attendance, a pattern of absences that may lead to Persistent Absence (PA), Severe Absence (SA) patterns and levels of broken weeks, lateness, authorised absence and unauthorised absence and reasons for absence.

A pupil is classed as a persistent absentee when they miss 10% or more schooling across the school year and as a severe absentee if they miss more than 50% of schooling for whatever reason, whether it be authorised or unauthorised, or a mixture of both. Absence at this level is doing considerable damage to a child's educational prospects and we need parents' full support and encouragement to tackle it. PA and SA pupils are tracked and monitored carefully and we combine this with tracking academic progress to assess the effect on the pupil's attainment. Absence for whatever reason disadvantages a pupil by creating gaps in his or her learning. The Senior Attendance Champion will be responsible for putting in place actions for each pupil of concern. Initially we will try to resolve the problem with parents/carers and this may involve requesting medical evidence in order for the school to authorise any further absence due to ill health and/or an attendance meeting with a member of school staff where we can discuss the barriers to attendance and provide help and support to address that. We may ask parents to agree to an Attendance Contract which details how we will work together to improve attendance. However, if absence continues and the support we have offered is not working we may make a referral to the Local Authority for additional intervention.

Requesting leave of absence in exceptional circumstances

In accordance with Department for Education statutory guidance, leave of absence from school may only be authorised in exceptional circumstances.

Absence for the purpose of a holiday is not considered to be an exceptional circumstance.

Parents are required to complete a leave of absence request form which must outline the exceptional circumstances for which the leave has been requested.

Leave of absence request forms must be completed in advance of the dates requested. We require 2 weeks notice, unless the absence is related to an emergency.

We do not give retrospective agreement for leave of absence so any absence not advised to the school in advance will be unauthorised.

Requests will be considered by the headteacher and parents and carers will be advised if their request is agreed.

Any pupil who has taken a term time holiday will be required to provide medical evidence if they are ill in the period directly before or after the dates advised to school or if the absence is immediately before or after a designated school holiday period.

Parents/carers will be asked to provide evidence if a pupil does not return to school on the agreed date following a holiday as a result of delayed or cancelled flights or other travel arrangements.

Consequences of persistent and severe absence

At Crockerton School we will always work with you to address any attendance concerns.

If we have been unable to resolve the issue, despite a number of interventions, then we may have to refer you to the local authority where possible actions include:

1) The National Framework for Penalty Notices

The Department for Education has issued a national framework and the Education (Penalty Notices) (England) (Amendment) Regulations 2024 which govern how and when penalty notices may be used.

All local authorities and schools must work within the new framework.

This means that whenever a pupil accrues 10 sessions (half days) of unauthorised absence in a 10 week period a school must consider whether a penalty notice should be issued. The unauthorised absence can relate to unexplained absence, absence that the school has not agreed to including for a holiday in term time or a pupil being late after the register closes.

Where a pupil has accrued 10 sessions of unauthorised absence in 10 weeks that is NOT related to a holiday in term time we may issue you with a Notice to Improve. This will provide you with an opportunity to engage with support to improve your child's attendance. If support is not working then we will refer the matter to the local authority who may decide to issue a penalty notice to you.

Where there are 10 sessions of unauthorised absence in a 10 week period as a result of a holiday taken in term time the absence will be notified to the local authority who may issue a penalty notice without further warning.

Each parent can receive a penalty notice for each child that has unauthorised absence. For example, 2 parents with 2 children who take a holiday in term time can expect to receive 4 penalty notices.

The new framework allows for parents to receive a maximum of 2 penalty notices for each of their children in a 3 year period.

The first penalty notice issued in respect of an individual child will be in the sum of £160 to be paid within 28 days, reduced to £80 if paid within 21 days.

The second penalty notice issued in respect of the same child within 3 years shall be in the higher sum of £160.

If the national threshold is met on a third or subsequent occasion in 3 years then the local authority may present the matter to the magistrates' court.

or

- 2) The local authority may initiate court action under Section 444 of the Education Act 1996, which could lead to fines of up to £2,500, imposition of orders such as Parenting Orders or even imprisonment.

or

3) In some cases, action may be taken under the Children Act 1989 to protect the welfare and development of the child.

SECTION 6 Strategies for improving and maintaining good attendance

At this school we take every opportunity to promote excellent attendance for all pupils. We will celebrate excellent attendance in celebration assemblies with Attendance Ted certificates.

We are a caring school community where the needs of all pupils are carefully considered. Crockerton School provides and promotes a welcoming and positive atmosphere so that pupils feel safe, and know that their presence is valued.

If there are specific issues that might impact on your child's attendance it is important that you talk to us so that we can support you and your child. You can speak to their class teacher or head teacher by contacting them on their email.

There may be times when we ask other agencies to become involved to help us understand and work with you to encourage regular school attendance. (eg Wiltshire Council, school health, Ethnic Minority and Traveller Achievement Service, Medical Needs Education and Reintegration Service). If we feel that this would be helpful we will discuss with you first.

We are very keen to listen to the views of children and parents with regard to attendance matters and we welcome any feedback which helps us to shape how we work with families to address attendance issues and reward excellent attendance.

SECTION 7 Monitoring and Evaluation

The attendance policy will be reviewed every 2 years by governors and school staff to ensure that it continues to meet the needs of the school community.

We will ensure that the policy reflects current DfE and Local Authority guidance so that parents may be assured of the standards that we strive to achieve.

SECTION 8 Communicating the contents of the Attendance Policy

All new parents are introduced to the policy and information on attendance in the school prospectus. It is also accessible on the school website.

School attendance will feature regularly in the school newsletter and we will advise parents of any changes to policy and procedures.
