Well done all who made it to school this week! A bizarre week.

3rd July COLOUR RUN – Please pay entry by Tuesday to secure your child's place.

We are always working with our neighbours who own land around the school, including the neighbours who own our field. We have been asked, for safety reasons, that this track from the gate on Parsons Hill (The forest road leading to Longleat/Centre parks) is not used by parents, walking or by car. This land/track is not ours and is private property. This includes Sports Day, Colour Runs and any Fete that may be organised in the future. We have agreed that a couple of cars belonging to those organising the Colour Run are able to get access, so that setting up and heavy goods can be emptied. But this has already been agreed with the Friends Committee and Governors. **To ensure we continue to be able to rent our field, I really need everyone to respect this decision. Access to the field can only be via the school's front entrance.**

The Big Sing at Minster Church Fete on Saturday was absolutely amazing. You made us all so proud hearing you sing with our friends at the Compass Schools. Mrs Collishaw from Warminster school was hugely impressed with all the children. Thank you to all who committed to attend this event.

Parent Coffee Morning, such a shame that yet another parent workshop had little interest. If anyone has any thoughts about how we can engage parents – or if you would like certain workshops – please let the office know. We have had internet safety, maths passport and this behaviour one all with very little uptake.

FREE Parent and Carer Oral Health Webinar: Big Brush Club are hosting a free online webinar which will cover the main causes of tooth decay and other common oral problems that occur in infancy, plus preventive advice including healthy food and drink choices, effective toothbrushing techniques, and strategies for supporting toothbrushing for SEN children. Use this link to get to the webinar information – hopefully this may be useful to some! <https://bigbrushclub.co.uk/families/?sclrybrkr=4f794ed9>

It's all been said on Dojo – but thank you for everyone's patience and understanding this week. It was unbelievably hot. We stayed open in the mornings, and started with breakfast club for those who needed it. We completely understand the disruption caused when we close school but the afternoons became too incredibly hot.

Pupils who attended **Mr Leighton's guitar taster** and would like to start lessons in September, can now book up lessons directly. Please email him for bookings and information: jamesleightonguitar@hotmail.com
