Please follow all the information regarding **Discos tonight**, especially with regards to dropping off and collection – The Village Hall is on a very busy road and the safety for all is of the highest priority. There is an interval between the 2 discos so that all children can be collected safely, and helpers can swap over. Please do not arrive early. Children must not bring mobile phones with them.

**World Book Day** – what a huge success. Thank you for all your support with a whole myriad of costumes! The range of books and new characters just shows what high quality of texts our children are exposed too! The children were very proud of the characters that they came dressed as and loved sharing their books.

**On 15<sup>th</sup> March** the country will be celebrating Comic Relief – children may dress in Red for a donation.

Does anyone know a good, reliable and reasonable **fencing company**? We need to repair the fence around the field as the huge gorse bush/hedge has been taken down and brought the fence down with it! It is quite a long stretch... many thanks!

This time of year, we often **receive a small amount of money to share** with any families who may need a little support financially – it's not a lot but as we hear, every little helps. Some of our families receive additional support and vouchers through 'Free School Meals' benefit but this additional money is aimed at those who do not qualify for this.

If you would like to be considered for part of this grant, please do drop myself or Mrs Bawden an email and we will see if we can help. In an ideal world, it should help towards the next block of swimming, or further trips or some uniform, for example.

**Race Night Friday 22<sup>nd</sup> March 2024** at The Lodge, Hensford Marsh, Warminster.

**Bring all your friends and family for a fun evening!** No need to be in teams – although you may be able to get into a group to make some bets, if you wish! Buy your tickets early and order your food! It will be a popular event around Warminster!

There are lots of new events added to our School Calendar on the Website... keep a check!

We have a lot of **Sporting events** coming up! Dodgeball, rugby, orienteering and Badminton all on the horizon for some KS2 children. We look forward to hearing all about these events during Term 4.

In Term 5, Mr Farrell has offered to organise a football club for children in Y1 and 2, after school on the top field. Numbers will be limited and a letter will follow next week. Watch this space.

There will be a small cost as we hope to buy some footballs; the aim of the club is just to have some fun, having a kick around and to promote the game (hopefully, the children will want to go on and play for local clubs too). I am also on the look-out for some mature Junior Leaders who may like to help at this club from UKS2!

A polite **reminder that school starts at 8.40am** - please do not pull up outside the school car park any earlier as traffic gets blocked quickly and villagers may be looking to get through just before congestion should start.

**Late Clubs** on certain days are particularly busy. **BOOKING** is essential – please check. If your child is collected late and they are in Late Club, you will be charged on Scopay and payment will be required. Please pick up promptly from 4pm and no later than 4.15pm - if collection is after 4.15pm, children will be added to Extended Late Club register and payment will be required. I thank you for your continued support.
