

Crockerton Church of England Primary School Weekly News

This term our Values focus on Perseverance <https://crockerton.wilts.sch.uk/>

This week's attendance: Potters: 100% Thatchers: 96% Weavers: 94% Foresters: 100%
Thank you to all classes. It is great to see good percentages of attendance.

Thank you to all our families who have worked together to produce some wonderful **Power Projects** as part of our homework tasks to exhibit in the Crockerton Museum day. We have a room based on Outer Space, London, Ancient Egypt and a room of Disasters!

We still have some children attending **Late Club** who are not booked on – a reminder please that if you cannot get booked onto Late Club, there is a waiting list available in the office. Booking onto XL Club does not mean a spot in Late Club. If the maximum numbers are met and your children are not on the list, teachers will be phoning parents to collect. Can I also remind you that if you collect late, the children will be added to XL Club register and payment will be taken.

Thank you for our **'Share the Miracle'** eggs – we have had lots of suggestions about where to share too! I will be delivering these over the next few days, to Longbridge Deverill Care Home, The Well-Being Hub and Warminster Library - so thank you very much.

Parent's Evening is next week, please ensure you sign up for Tuesday or Wednesday next week. Mrs Kirkwood, our SENDco will be in school both these days from 4.30pm.

Disco Night is tonight! A huge thank you to all the Friends who have organised this – we look forward to seeing you all later! Due to food allocation and adult/children ratios, please do not turn up to this event if you have not already paid for a ticket. Tickets can not be purchased on the door.

It was a Sporting Wednesday this week – first a group of 10 **badminton** players went to a Badminton Workshop at Warminster Sports Centre. This is a brilliant event and really popular. The children were introduced to the game by Alice Perry and her team of Badminton leaders who all play at Kingdown School's Badminton club. In the afternoon, I took 2 teams to Frome **Rugby** Club to play in The Clive Lewis rugby festival - it was a joy to see so many children enjoying the game of rugby. There were teams from Beckington, Springmead, St Johns and Trinity.

We are looking forward to our Easter **Spirituality Walk** on Friday morning next week. We will be leaving at 9.20am and will be out for about 90 minutes. Please do let your class teacher know if you are able to help – we need about 4 per class please.

Thatchers enjoyed their **geography walk** around the local environment this week, thank you to the helpers who came to join. I wonder what this would look like for a class in a London School?

As the weather is so good today – I will be putting out all our **Preloved uniform supply** on to Thatchers' playground for the end of the day. Please do take any items that you would like – please ensure old names are removed and new names clearly marked. Any small donations for clothes would be welcomed!

Next week, group 2 KS2 **swimmers** have their final length swimming. After Easter, Thatchers will be swimming. Please hand in slips and donations towards transport cost.

Every member of staff attended **ON-LINE SAFETY** training this week – we have been inspired by some ideas and how these will be added to our curriculum and weekly timetables. [Common Sense media](#) and [Internet Matters](#) are both recommended and very much worth looking at.

Be joyful. Grow to maturity. Encourage each other. Live in peace and harmony.
2 Corinthians 13:11
