

Crockerton Church of England Primary School Weekly News

This term our Values focus on Perseverance <https://crockerton.wilts.sch.uk/>

This week's attendance: Potters: 97% Thatchers: 96% Weavers: 98% Foresters: 97%
Thank you to all classes – all above 96% - thank you. It is great to see good percentages of attendance.

This week, in our school **Worships**, we have been thinking about how we bounce back when we face disappointment or failure. The story of Moses has really helped us understand how we need to be resilient when things are not going well – we look forward to the end of the story next week.

The last couple of years, we have done '**Share the Miracle**' where we ask for donations of Easter eggs. Every year we ask families to donate an Easter egg and we then give them to those less fortunate in our local area or to those who just need a little gift to help cheer them up. We also give them to people who may be lonely or are in need of a little support. *For the whole of next week, please can I ask for a donation of at least one egg for our collection?* We then aim to go and deliver these eggs to less fortunate people within our community. A couple of places we have thought about already is donating some to the Learning Meadow and to the staff and residents at Longbridge Deverill Care Home. Please do let me know if you have other ideas. Every school in the Compass Collaboration is taking part so we hope to spread love and joy to the wider community.

Thank you to the Friends for a brilliant **Race Night** – it was so lovely to see many parents supporting the school and having a fun night. Nearly £1000 has been raised which is great!

Disco Night is fast approaching. Friends have asked that tickets are bought by Monday to ensure enough food is available to all. Please contact Gussie, or your class rep if you would still like a ticket!

The **Year 6 girls** attended a wonderful Sports event at Kingdown School on Tuesday – they could choose to take part in netball, hockey, football or dance – it was lovely to see the girls mixing with other Year 6 girls and a host of Kingdown students and teachers.

KS2 have had a slight timetable change. I will be teaching **KS2 PE** on Thursday afternoons, as part of the teachers' non-contact time. PE kits for KS2 should be worn on a Tuesday and Thursday (not Friday). KS1 remains the same.

A reminder please to book onto Late Club and Breakfast club – both are usually full most days now and sometimes there is a waiting list.

Well done to KS2, group 1 swimmers who have completed their swimming for the year – they have the longest number of weeks swimming to ensure that by Year 6, they are swimming 25m confidently on their backs and fronts. Every child that came swimming this week, confidently swam from the deep end towards the shallow end – many doing so without stopping and many being in deep water for the first time. I am very proud of these children for doing so well! The last 2 Tuesdays this term, will be our KS2 group 2.

Date	Time	What	Who
Monday 16th – Friday 20th	Bring in donated Easter Eggs		
Tuesday 17th March	From 1pm	Swimming 2 weeks	KS2 Group 2
Wednesday 18th March	11.30am-2pm	Badminton	Selected KS2
