Athenaeum Exhibition

This was such an enjoyable collaborative event with our friends at our Compass Schools. It shows how working together as a team, can bring joy and opportunities within a community. There was some lovely writing, artwork and photographs on display and lots of ideas have been gathered amongst the professionals at school. Last day today!

As part of our carefully planned **enrichment opportunities**, each class usually gets 2 educational visits per year. These can only take place if we receive enough voluntary contributions – we are currently aiming for £20-£30 per visit; On the 1st April, Thatchers class will be going to Salisbury Cathedral – an email went out yesterday. And soon, there will be information about Foresters going to WOLT. We do thank the ‘Friends’ who also agreeing to subsidise these trips. Classes will also try to organise their fundraising events to help too. I do appreciate trips can be expensive over the course of the primary school, but they are a highlight for the children and we plan them to ensure they boost learning. Next year’s Foresters class will shortly be receiving information about their Residential trip in September. Obviously, this is a much more expensive trip but guaranteed to be the highlight of their year!

We are trying to finalise arrangements for our Salvation Day in the last week of term – we are hoping to spend the day in Warminster... watch this space!

There is a **TD day** on Thursday 20th March – Fun Club is running. All staff will be updating their first aid qualification.

This is a wonderful opportunity for those who like to take photographs... please do take a look.

This term, we still have 2 rugby tournaments, one in Frome and one in Trowbridge, plus a badminton event – I am currently organising the teams both from Weavers and Foresters. Confirmation to follow.

At the end of term 4, we will be **Sharing the Miracle** once again within our community by giving Easter Eggs – If you can send Eggs in during the week beginning 24th March, it would be hugely appreciated. Please also discuss with your children who they would like the eggs to be delivered to this year – Potters and Thatchers shared some ideas including Longbridge Deverill Nursing Home, the local Fire Service or Policemen or nurses who have been visiting Potters and even the builders who built our new KS2 building!

The children had a wonderful disco last week! Thank you to all those who helped on the night and the children for their great dancing and singing! A great night was had by all.

Thank you for keeping the children off the school play areas at home time. (The canopy, main playground, timber trail and friendship forest after home time). This helps KS2 parents park so that they can collect their children at 3.30pm. Thank you.

Following on from my plea about the speed of cars when approaching school, I have approached the council about reducing the speed limit around school and improving signage for a school.

We seem to have lots of **unnamed uniform** – please can you all check that uniform is fully named if you want to get it back. Lost property is for unnamed garments. We also have a missing brand new, named hoodie. Please check for Rowan’s name in a 7/8 hoodie – thank you.

There is a good stock of pre-loved uniform. Would anyone like to get this out after school next week when the sun is shining so that everyone can see if anything would be of use – a small donation can go straight back into school funds.

Race Night Friday 28th March, 7pm start Warminster Cricket Club

Tickets are £5 each, no food or £20 with unlimited food. Maya will be providing a curry buffet with rice, poppadoms and naan.

Thank you to all our sponsors. Please get your tickets for the event – it is selling out quickly.

Power Projects are out for the Spring Term and the Museum Day will be held on 21st March 2025. The [calendar](#) is on the website.
