A reminder about School Uniform please... 1. Name everything! 2. Please do remember that full school uniform, particularly correct shoes and shorts need to be worn on non-PE days. Navy shorts should not be sport shorts and black shoes should be worn. Earlier this year, I suggested that black trainer type shoes are absolutely fine ...

BUT I have noticed that some children are not (thank you for messages that one-off days of trainers have been necessary due to broken, wet, lost shoes) but please do make every effort – it is very difficult to keep these rules fair for everyone, if other children are constantly not following our rules on uniform.

I have received information that I have put onto our signposting tab on our website. It has a full list of activities happening in Wiltshire. Please do take a look at our website – I have linked it here... [Events in Wiltshire.](#)

POWER PROJECTS are all on the class pages of the website. We will be repeating our fabulous School Museum Day on 3rd July.

Weavers also have a very busy term, with their Roman Feast today, thank you to everyone who has donated towards this, it is never too late so next week is fine if you had forgotten. They also have their trip to the Roman Baths in July too!

Thatchers are very excited about their trip to the River Wylde in Crockerton on Tuesday – we have not worked with Wessex River Trust before, but this will really embed their local knowledge as well as their work on rivers done this term.

Thank you to parents who helped reunite some uniform that has built up from Weavers class – there is still quite a lot. While we have this lovely weather of late (at last) I would suggest coats, jumpers and hoodies stay at home!

A year 2 piece of writing, inspired by The Fan Brothers' Ocean meets Sky, which needs to be celebrated...

Once there was a boy called Dan. He was thinking about his grandpa. He would have been 97 today. Dan and his grandpa would have adventures and tell stories where the sky meets space. To honour him, Dan built a small plane. It was hard work to build a plane but soon the journey had begun. When Dan was in the sky he said, "I never thought the sky could be so quiet." That caught the attention of the Rainbow Bird. Dan asked the bird, "Do you know where the sky meets space?" The bird replied with "yes I do I can fly you there." They went through cloud city and over a floating castle. Then Dan gasped, there it was, where sky meets space! It was filled with satellites, planets and hot air balloons. Then the bird flew to the sun. Dan followed and he saw Grandpa and he got to say goodbye. Dan heard a voice calling to him. "It's time for dinner." It was mum. "We're having grandpa's stew."

Thea, Jessica, Lottie and Molly are organising a 50p Toy Sale, during morning play and if there is enough stock left, after school on **Friday 12th July** in the Potters area. There will be some toys, books (and hopefully some ice lollies – after-school only) The girls have decided that any money raised they would like to donate to the Blue Cross Animal Charity. Well done girls, all your own idea and you explained what you wanted to do and how, brilliantly – well done for being such fantastic, courageous advocates.

This week, I have met with the Compass School Heads for our termly strategy day. Just to confirm, that currently, Compass Schools are for those who do not belong to an academy trust but who can see the real benefit from working together to improve outcomes for all our children. There are some changes to the year ahead with Chilmark and Fonthill deciding to go to Acorn Academy. However, we welcome Sambourne to the group too and another local school is also very keen to work with us and is currently discussing with their governing body – so currently, we have Crockerton, Horningsham, Sambourne, Sutton Veny and Wylde Valley School with lots of exciting projects planned already for the year ahead.

Be joyful. Grow to maturity. Encourage each other. Live in peace and harmony.
